The Foundation is and is intended to be a “non-membership corporation” (within the meaning of the DC Nonprofit Corporation Act). All authority that would otherwise be vested

in or exercised by members shall be vested in the Board. Nothing in these By-laws shall be interpreted as requiring the Board to meet, vote, or otherwise act separately as members of the Foundation in order to exercise powers that would, if there were members of the Foundation, be vested in the members.

Article V: Board of Directors

Section 1. General Powers. The business and affairs of the Foundation shall be managed under the direction of the Board. The Board may exercise all such authority and powers of the Foundation and do all such lawful acts and things as provided by statute, the Articles of Incorporation, or these By-laws.

Section 2. Composition, Number, and Appointment. The Board of the Foundation shall be composed of (a) such number of Ex Officio Directors, not to exceed five (5), as may be designated or appointed from time to time under the Agricultural Act or these By-laws, and (b) Appointed Directors appointed in accordance with the Agricultural Act or these By-Laws. No employee of the Federal Government shall be an Appointed Director.

Section 3. Terms of Office. The term of office of each Appointed Director shall be five (5) years except that the terms of offices for the initial Appointed Directors shall expire on a staggered basis as designated by the Ex Officio Directors at the time of appointment, as follows: eight (8) members shall each be appointed for a term of three (3) years and seven (7) of the members shall be appointed for a term of two (2) years. An Appointed Director, at the discretion of the Chair of the Board, may continue to serve after the expiration of his or her term until a successor is appointed. An Appointed Director may be reappointed for a subsequent term or terms for a maximum of two (2) five (5) year terms. An initial Appointed Director serving a two (2) or three (3) year term remains eligible for an additional maximum of two (2) five (5) year terms. Unless filling a vacancy, elections of the Appointed Directors will occur at the annual meeting by a majority vote of the Appointed Directors then in office. The term of office for a new Appointed Director shall commence upon the date of election at the annual meeting, or at the date of the most recent annual meeting prior to appointment, if such appointment does not occur at the annual meeting.

Section 4. Annual Meeting. The annual meeting of the Board shall be held at such time and at such place as shall be specified in a notice provided under Section 8 of this Article V and shall be open to the public.

Section 5. Annual Report. Annually, the Foundation shall publish a report for the preceding fiscal year that shall include a comprehensive statement of the operations, activities, financial condition, accomplishments of the Foundation, the sources of all Gifts to the Foundation, as well as any restrictions on the purposes for which these Gifts may be used. The report should also include accomplishments and how those activities align to the challenges identified in the strategic plan. The Foundation shall publish the Annual Report on the website of the Foundation and make copies of the Annual Report available to any person upon request for a charge not exceeding the cost of providing such copy.

Section 6. Stakeholder Notice. The Foundation shall publish an annual notice with a description of agricultural research priorities under this section for the upcoming fiscal year, including a schedule for funding competitions, a discussion of how applications for funding will be evaluated and how the Foundation will communicate information about funded awards to the public.

Section 7. Regular Meetings. Regular meetings of the Board shall be held at such time and place as the Board may fix, but at least annually in addition to the annual meeting of the Board required under Section 4 of this Article V.

Section 8. Special Meetings. Special meetings of the Board may be called at any time or at the request of the Chair of the Board or the Executive Director. The person or persons authorized to call special meetings of the Board may fix the time and place for holding such special meetings.

Section 9. Notice. Annual, regular, and special meetings of the Board shall be held on notice to the Members of the Board. Notice shall state the time and place of the meeting and, in the case of a special meeting, the purpose or purposes for holding such meeting. Notice of each such meeting shall be sent by electronic mail, facsimile, or mailed, postage prepaid, to each Member of the Board, addressed to him or her at his or her address as shown by the records of the Foundation, at least ten days before the day on which such meeting is to be held. In the case of a special meeting of the Board, such notice shall be delivered to each Member of the Board personally or be given to him or her by telephone, electronic mail, or other similar means, at least twenty-four (24) hours before the time at

which such meeting is to be held. Notice of the annual meetings of the Board shall be posted on the Foundation's website and the posting of such notice shall constitute sufficient notice to the public.

Section 10. Quorum. Except as provided in Section 10 of Article V of these By-laws, a majority of the Appointed Directors then in office shall constitute a Quorum for purposes of conducting the business at any meeting of the Board; but if less than a majority of such Appointed Directors are present at said meeting, a majority of the Appointed Directors present (either in person or telephonically) may adjourn the meeting from time to time without further notice.

Section 11. Manner of Acting.

(a) The act of a majority of the unrecused Appointed Directors present at a meeting at which a Quorum is present shall be the act of the Board, unless:

- (i) the act of a greater number is required by law or these By-laws (such as Sections 3 and 11 of this Article V and Article XIV); or
- (ii) the Board is voting on (A) operational expenditures (including acquisitions of real property by lease or otherwise) greater than \$500,000; (B) terminating contracts or leases, or divesting of real property valued in excess of \$500,000; (C) hiring or terminating the Executive Director; (D) retaining or terminating legal counsel or auditing services; or (E) making or divesting investments worth in excess of \$500,000. For votes under paragraphs (i) and (ii), if the number of unrecused Appointed Directors is less than the number required in Section 9 of this Article for a Quorum, the vote will be deferred until a meeting can be held with a Quorum of unrecused Appointed Directors present.

(b) The Chair may, under extraordinary circumstances, in his or her discretion, require the vote of the full Board (all Appointed Directors) on a particular matter, provided the Chair discloses to the Board the basis for requiring such a vote. When the vote of the full Board is required, Appointed Directors will be permitted to vote at a meeting of the Board or by submitting their vote to the Chair in writing.

Section 12. Vacancies. Any vacancy in the membership of the Board shall not affect the power of the remaining Appointed Directors to execute the duties of the Board. Any vacancy due to the expiration of the term of office of an Appointed Director shall be filled promptly. Any vacancy due to the death, resignation, or removal of an Appointed Director whose term

has not expired shall be filled promptly by an affirmative vote of two-thirds (2/3) of the Appointed Directors then in office.

Section 13. Resignations. Any Appointed Director may resign at any time by giving written notice of his or her resignation to the Board, the Chair of the Board, the Executive Director or the Secretary of the Board. Any such resignation shall take effect at the time specified therein if later than the date of its receipt, or if the time when it shall become effective is not specified therein, immediately upon its receipt. Unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 14. Removal of Directors. Except as otherwise provided by the Agricultural Act, any Appointed Director may be removed for cause by the vote of a majority of the Appointed Directors then in office. The failure to participate in at least half of the meetings and calls scheduled over a one-year period is a basis for such removal.

Section 15. Compensation. Members of the Board may not receive compensation for service on the Board. Members of the Board may be reimbursed for travel, the reasonable cost of meals and lodging, and other necessary expenses incurred in carrying out the duties of the Board, as set forth in these Bylaws.

Section 16. Action by Written Consent. Any action required or permitted by law to be taken at a meeting of the Board may be taken without a meeting, if a unanimous written consent which sets forth the action so taken shall be signed by each Appointed Director and filed with the minutes of proceedings of the Board.

Section 17. Telephonic Meeting. Members of the Board may participate in a meeting by means of a telephone or video conference or similar communications equipment if all persons participating in the meeting can hear each other at the same time. Participation in a meeting in such manner shall constitute presence in person at such meeting.

Section 18. Nominating New Members to the Board of Directors. At the request of the Board, the Chair of the Governance and Federal Relations Committee will work with the Executive Director to determine one or more individuals to nominate for election to the Board of Directors for the purpose of filling a vacancy under Section 11, Article 5 or appoint a new Appointed Director position created under Section 2, Article 5. The Chair of the Governance and Federal Relations Committee and Executive Director may ask the Board of Directors to recommend nominees. Once the Chair of the Governance and Federal Relations

Committee and Executive Director have compiled a list of nominees they will make that recommendation to the Executive Committee. After the Executive Committee approves this list, the nominees will be sent to the full Board of Directors. Depending on the identified need, the Board may be asked to vote to advance a list of potential candidates or elect individuals.

Article VIII: Conflicts of Interest

Section 1. General Policy.

- (a) No Covered Person shall participate personally and substantially in, or take any action on or participate in the consideration or determination of any Foundation matter, including a decision to award a grant or a contract, that would directly or predictably affect any financial interest of him or herself, his or her spouse, minor child, general partner, non-federal organization in which he or she is serving as an officer, director, trustee, general partner or employee, or any person or non-federal organization with whom he or she is negotiating or has any arrangement concerning potential employment, or has a financial interest other than a de minimis ownership interest.
- (b) The Board on the basis of facts and circumstances shall determine whether the ownership interest of a Covered Person is considered as de minimis.
- (c) Nothing herein shall be construed as preventing any individual or entity from disclosing to the Foundation and its officers, directors, employees, and agents such information as may be necessary or desirable for the Foundation to determine the facts concerning any matter involving a potential conflict of interest of a Covered Person and to decide whether recusal is warranted.
- (d) The Board may develop and adopt additional policies and procedures, whether incorporated into these By-laws or not, to resolve potential conflicts of interest and to preserve the integrity of the operations of the Foundation.

Section 2. Responsibilities of Covered Persons. In addition to actual conflicts of interest, Covered Persons are obliged to avoid actions that could be perceived or interpreted to be in conflict with the Foundation's best interests. Covered Persons shall disclose their financial interest in entities doing business with the Foundation and refrain from participating in decisions affecting transactions between the Foundation and those other entities without approval by the Board.

Section 3. Interactions with the Department. Congress created the Foundation to support the mission of the Department by identifying, funding, and supporting projects and programs that will help agricultural research activities focused on addressing key problems of national and international significance. The Foundation will not participate in Department

regulatory matters nor will it offer advice to the Department on policy matters. In addition, to support its independence and to maximize its scientific impact, the Foundation shall implement specific guidelines and procedures that identify and avoid potential bias and appearances of such bias and that provide a transparent process for individual and institutional decisions.

Section 4. Recusal. If it has been determined by the Foundation’s legal counsel, or by the Chair of the Governance and Federal Relations Committee following the Foundation’s conflict of interest policies and ethics standards, that recusal is necessary, the recused Member of the Board shall not participate in any discussions or votes regarding the matter or matters on which he or she has been recused. Among other things, a recused Member of the Board shall not participate in discussions or votes regarding whether a particular project should be undertaken by the Foundation or to whom a project grant or contract funded by the Foundation may be awarded. Recusal of a Member of the Board shall not affect the determination of a quorum for purposes of conducting the business of the Board or a Committee of the Board, except as provided for in Section 10 of Article V of these By-laws.

Section 5. Oversight Responsibilities. The Chair of the Board shall be responsible for the application of the Foundation’s conflicts of interest policies and procedures to Members of the Board, committee members, advisory committee members, and the Executive Director. The Executive Director shall be responsible for the application and interpretation of this policy as it relates to all other Covered Persons.

Section 7. Violations of Conflicts of Interest Policy. If the Board has reason to believe that any Covered Person has failed to disclose a conflict, it shall inform the Covered Person of the basis for such belief and afford the Covered Person an opportunity to explain the alleged failure to disclose. If, after hearing the response of such person and making further investigations as may be warranted, the Board determines that the Covered Person has knowingly or intentionally failed to disclose a conflict of interest it shall take appropriate action, up to and including termination of the Covered Person, or, in the case of a Member of the Board, removal.
